## Happy 2018

We welcome the New Year with a message from the New Chair:

Dear Members:

I would like to take this opportunity to thank all volunteers for the amazing job done in 2017. Together, you are responsible for creating and maintaining a wonderful experience for everyone at our club. In particular, I would like to recognize our outgoing president, Colin Jacobson, for his leadership during the past several months.

Our thanks as well, to all the past board members, for overseeing all aspects of the club's operations; we are grateful for the outstanding service.

New members are integral to the vibrancy of any organization. This will be the focus of the 2018 board along with new events and fund raisers. We are asking for your help on our sub committees. If you are interested in working with the board, being involved in an area that you may have a special talent for and as a bonus, get credit for volunteer hours, please contact a board member. Thanks to our existing members for providing a welcoming environment to our new members.

See you on the court  
Jim Nielsen

## ***INTRODUCING LIVE BALL DOUBLES TENNIS!***

We are starting something new on the 4th Friday of each month! A group of us will be hosting **“Live Ball”** doubles tennis. This is a game that essentially keeps the ball in play for a very short game (to 5 points), where a person feeds the ball to start the game and there is quick rotation depending on whether you are playing the challenger or champion side. Because you are constantly rotating different people in after each point, you can play with 8-9 people on each court, which means more people can participate! Live Ball is fast paced, social and a lot of fun!

We are hosting our first Live Ball on **Friday, January 26th at 6:30 pm!** We hope you can come out to play or just watch and join us for a social drink and snacks; the snacks and drinks you have brought of course, haha!

If you have any questions, please contact Cindy [cindyross169@gmail.com](mailto:cindyross169@gmail.com), below is a short video about the game! Of course we are all as good as the players in the video!

<https://www.youtube.com/watch?v=HDjyzPGMD1o>

**Team Tennis** is still a go too, with 20 players regularly enjoying doubles tennis on Fridays at 6:30pm (not the last Friday of the month! ) Anyone is welcome to join - contact Terry Kvam if interested at [terry.kvam@gmail.com](mailto:terry.kvam@gmail.com) or 604 886 2248

## Jerome's Tennis Tip

(Shaughnessy Golf and Country Club)

### Proper Tennis Etiquette

1. Call the Score. So much time on court is wasted trying to figure out what the score is. It is the responsibility of the player serving to call the score just prior to the start of the point. Try to make it a habit to always call the score before serving and maybe remind your partner and opponents to do the same. It will speed up the game and will be more enjoyable.
2. Watch Your Line Calls. Unless you are 100% positive that the ball is out, then it is good. In doubles, the receiver should call any serves that land wide but let his or her partner call the long serves as they will have a better angle to make the proper call as they are standing on or right around the service line. This is not a rule, simply proper line call etiquette. If you make a mistake, don't ask to replay it, simply give your opponent the point.
3. Avoid Time Violations. A player is only allowed 25 seconds in between points. That is 25 seconds from the moment the point has just ended to the time the racquet strikes the ball on the serve. The same rule applies when you are changing ends after odd total games but you do get 90 seconds until the new game starts. When you are playing doubles and you are the server, make sure the third tennis ball is with your partner: this will help shorten the game especially if your opponents do the same.

### PUBLIC PLAY:

We are averaging 4-5 public play members per week. So for a revenue perspective this is bringing in about \$200+/month in extra revenue. The downside is that it's the same pool of people every week, almost all of which are ex members. However on the bright side it has opened the door for 2-3 brand new people to try the facilities and it has been well received.

A big thank you **Karl Jung** and **Karen Bozak** and the 13 members who have stepped up making sure we have volunteers to participate each Saturday.

We would like to congratulate member Tony Greenfield, who was awarded the prestigious Sovereign's Medal by the Governor General for over 40 years of volunteer work on the Sunshine Coast. Many of us know him as "Mister Birding" Well done and well deserved Tony!

Don't forget **PUB NIGHT** coming up on **Saturday 20<sup>th</sup>** January at Gilligan's Pub,  
call Ron Kydd if you haven't got a ticket yet! 604 885 0151

6000 Lighthouse Avenue, PO Box 2038, Sechelt, BC, V0N 3A0 ( next to Kinnickinnik School )
